It can, but at the moment, it has to be done through ITSD. I'll let them know.

**Subject:** Discharge question

Emily,

Rachel House's data entry person was told to discharge [REDACTED] prior to realizing she still had some billable time in early April. I was hoping she could just go in and edit the discharge form and change the discharge date, but was unable to do so. Can that discharge be deleted? If not, how should she proceed?

Thank you!
